Paul Farris Entertainment

15<sup>th</sup> February 2006

Dear Paul and Team

The Air Charter Service Group would like to take this opportunity to congratulate yourself and your team on a top quality , professional performance at our Corporate Conference held at The Great Fosters on the 11<sup>th</sup> and 12<sup>th</sup> February 2006.

The audience participation was arranged perfectly and all involved were in fits of laughter throughout the performance . Hours of office research carried out by yourself certainly paid off and we were amazed at the way in which you captured our fellow employees personalities in such a comical manner in the final script.

You had the staff fooled at the beginning during the champagne reception to the point that our Marketing Manager thought he was out of a job by the introduction of my Loyalty Scheme Director with whom I was apparently having an affair.

I have had everyone expressing how fantastic your event was. It also achieved full participation from all our staff groups throughout the evening.

A hysterical team building exercise that comes highly recommended.

We will most certainly positively promote Paul Farris Entertainment to any like-minded companies who are looking for something a bit different.

Yours Sincerely

Mr. Christopher Leach  
ACS Managing Director
