Hi Paul

I just wanted to write to you on behalf of the Finance department at Capital One to thank you for such a great afternoon on Weds 9 Aug 2006.

We have had really positive feedback on the TV Quiz that you re-enacted for us. Normally people worry about big department events incase they have to get involved and do anything embarrassing. However because you put everyone at ease with your professionalism, this was not a problem at all, infact we have discovered we have got a few dark horses in finance who actually quite enjoyed the limelight!

On the whole everyone who attended really enjoyed themselves and said it was one of the best fun events we have organised.

Keep up the good work and I will continue to spread the word for you.

Thanks a lot

Abigail Reid
