Dear Paul,

Thank you for the fantastic afternoon and evening event you organized for Abbott Ireland. The de generation game fulfilled its objective of allowing the group to get to know each other in a 'different' way and have lots of fun at the same time. The evening event was well thought out and built on the afternoon activities. The props, music, DJ and 'entertainment' will be remembered for a long time to come. We have, thanks to Paul Farris entertainment captured some great memories of a successful team building event.

Everyone commented on the novelty of the whole event and the testament to it's success is that people are still talking about it weeks later.

I would certainly recommend this type of event to others as it proved to have lived up to everything that was promised and more.

Thanks again.

Sincerely,

Jill Ellul
