Dear Paul

I hope that you had a good weekend. Please see below the comments from our client regarding the event last Wednesday:

“The barbecue went well, and Paul Farris performed extremely well in the evening. I would certainly recommend him and would like to think that we could use him again in the future. The only disappointment was that only around 60 of the 100 delegates stayed for the quiz - but it was their loss!”

Thank you for making this a good event and hopefully we will be working together in other events.

Kind regards

Ana Waters
