Dear Paul

Thank you to Paul Farris Entertainment for an extremely enjoyable evening – Thursday, 5 October. A fantastic time was had by all and the Wine Tasting Game Show was the perfect way for our team to interact with and challenge each other whilst having a lot of fun & drinking wine! The evening was made even better when my team won!

All in all it was a very successful evening and PwC will definitely be using your company again in future.

Many thanks and kind regards
